

How In Love Are You?

See if it's real romance...or just a crush.

Crushin'

You're totally smitten—with the idea of him, at least! You've had your eye on this guy for a while, and you get the vibe that he's into you too. But you haven't hit a comfort zone yet. You're still trying to impress him, while wisely feeling him out to make sure he's worthy!

Fallin'

You're really starting to click with this guy! After plenty of flirting, you've gotten to know him pretty well—and the more you know about him, the more you like him. Best of all, your friends totally approve. If you just give it a little more time, this could be a perfect match!

Fallen!

You're officially head over heels! You've spent so much time with this guy that you trust each other with everything—including your secrets. Just don't let your whole world revolve around him—remember that your independence is one of the things he loves about you!

Which Sprouse Twin Is Your Soul Mate?

What class are you doing better in?

- a. math
